Welcome!

Thank you for the opportunity to serve as a potential dispatcher for your carrier company.

Felicia's Freight, LLC is an all-inclusive dispatch & logistics company in the trucking industry catering to start-up and established businesses. Our goal is to serve you to establish and foster long term partnerships allowing you to focus to build your brand!

Please be mindful, communication is key. Without consistent communication, we cannot diligently serve you. Without the completed "carrier requirements," we cannot coordinate to book the most efficient loads on your behalf. Without a prompt response, we cannot commit to brokers on your behalf in a timely manner to ensure a load best fits you. Our goal is to ensure YOU, the carrier of commodity, is safe, satisfied, and comfortable.

Communication is imperative in this line of business, without it, we all fail.

We are here to serve you! Let us network efficiently!

All the best,
Felicia's Freight, LLC
